The Story

We began as an Original Equipment Manufacturers, producing high quality products for various electrical brands. Over the time, through continuous research and development, we strengthened the quality and performance of our products.

This progress led us to launch our own brand,
ACRONICS

which represents the fusion of automation and electronics - bringing innovation and reliability together under one name.

What We Offer

Acronics as a brand offers cutting - edge smart switch solutions, designed for the next generation of Home Automation.

Our switches can be effortlessly controlled via Touch, Mobile Application, Remote & Voice Commands bringing convenience and innovation to your fingertips. Beyond functionality, Acronics switches enhance the aesthetics of your interiors, adding a sleek and elegant touch to your living spaces.
